EASY ACCESS

ALUTEL MOBILITY
MOBILE ACCESS CONTROL SYSTEM

THE ULTIMATE SCHEDULER PLATFORM
IT ALLOWS TO REGISTER EMPLOYEES, VISITORS, VEHICLES AND MATERIALS.

USER PERMISIONS
Create users with full control over which task can and cannot be done.

MANAGE YOUR EMPLOYEES
Register your employees, complete their personal data, assign a badge number and upload an image.

MANAGE YOUR VEHICLES
Register your vehicles and specify authorized drivers.

MANAGE YOUR VISITORS
Add your visitor's information, attach a photo and specify the host from your enterprise that will receive the visitor.

GENERATE ACCESS CODE
When you schedule a visitor, it will generate a QR badge that it's going to be included in the notification mail.

RECEIVE NOTIFICATIONS
When you schedule a visit, each visitor will receive a mail specifying date and host.

INTEGRABLE WITH 3RD PARTY
Integration with 3rd party software, if you have or use a software contact us and we'll integrate with you. Also we provide easy APIs if you prefer to do it by yourself.

INTEGRATED WITH GENETEC
EasyAccess works embedded in Security Center

LENEL FULLY COMPATIBLE
Alutel Mobile is seamlessly integrated with Lenel's OnGuard control access platform.

ALUTEL MOBILITY SUITE
Aludoc, EasyAccess and Alutel Mobile gives you real value to your enterprise.
Centralize users and all of your information within our suite. Find more about our products!,
